Applying to CAP As a New Cadet

Brackett Composite Squadron 64 • pcr-ca-282

How to Apply

Applying is simple.
But there are a few requirements

There are Two Methods

- Online
- Mailed-in Paper Application

Online is quickest and easiest
Special case: Cadets who are not US citizens must use the Paper Application.

Everything Starts Online

Parent Meetings & ID Check

- Approval requires a meeting with the Cadet's parents. **This is on the 4th Monday of the month**
- Bring a Passport or other RealID
- For non-citizens, bring a Permanent Resident card.

Cadets need their own email address!

- Email (gmail) is the official notification channel
- Cadets need to use their email to log into our system here during meetings
- If they have to call home to get login codes, it can be a barrier to success

Know Before You Apply

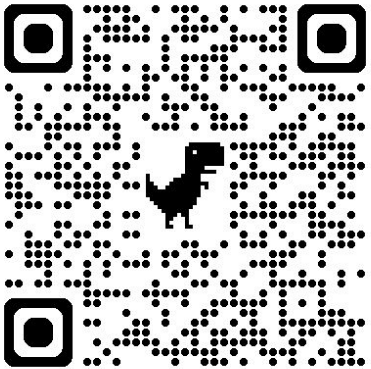

Pay the Dues!

- Membership dues for CA Wing (includes National fees) are paid upon applying, then annually.
- Squadron 64 dues are paid just once, when you join.
- Our Finance Officers:
  MAJ Frank Stubbe
  SM John Ho

Visit Three Times

- Cadet candidates must visit a minimum of three meetings
- Memberships are processed at the end of each month
- Miss 2 or more meetings in the 1st month & your membership slips a month

You will receive notification to setup your account in eservices

“eservices” is where everything happens in CAP

Everything Finishes Online

Apply Online

- The online application is forwarded to the Admin/Command section here at Squadron 64 as soon as the payment clears
- We can approve applications when we certify that the Parent Meeting & ID check was completed

Use Paper Application

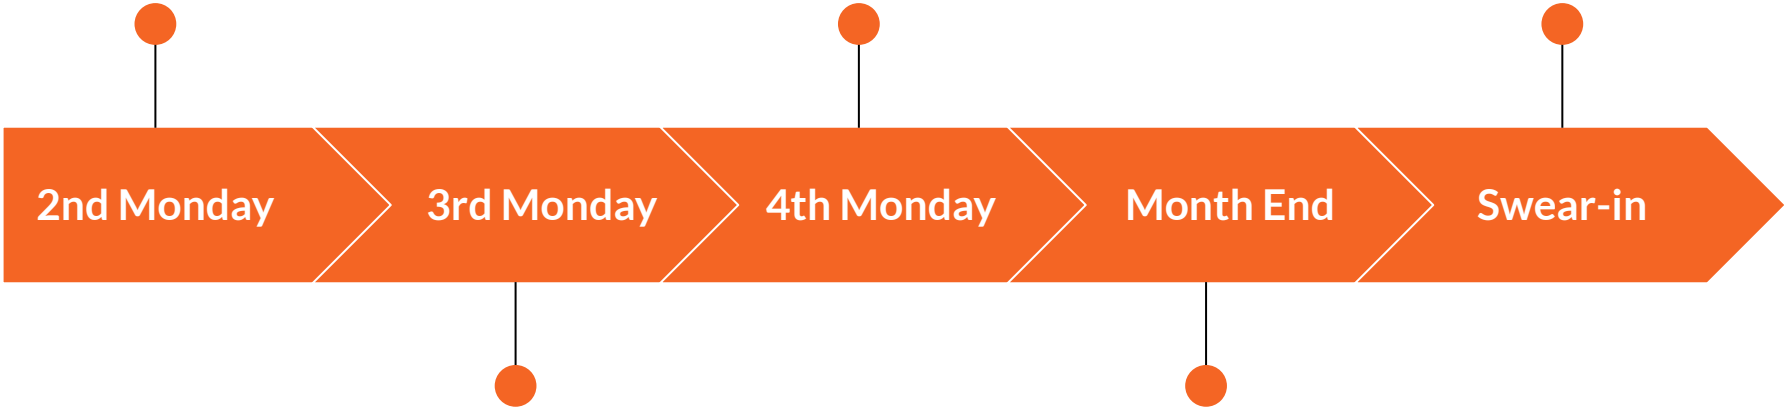

- When National HQ processes the paperwork, an electronic approval request is sent to Squadron 64
- We can approve applications when we certify that the Parent Meeting & ID check was completed

Section II: Financial Need for First Uniforms

A response is not required. If no option is selected, the default will be the 3rd Priority

☐ **1st Priority Cadets ($175)** My family has a real need for assistance because we meet at least one of the criteria below

a) Our family has received assistance from SNAP, WIC, TANF, or HUD public housing program in the past 12 months.

b) I qualify to receive Free or Reduced School Lunch.

c) My parent or guardian has received unemployment benefits during the last 12 months.

d) A parent, guardian, or sibling receives Social Security disability benefits.

☐ **2nd Priority Cadets ($125).** My family has limited resources. Financial support would help because we meet one of the criteria below.

a) Our family has two or more cadets enrolled in CAP.

b) Our family has a combined income of <$80,000.

☐ **3rd Priority Cadets ($75).** Although none of the above criteria apply, our family has experienced financial challenges recently. *If no priority is selected, 3rd priority will be the default option.*

☐ **Opt-Out ($0).** We will utilize squadron supply and purchase all other needed uniform items. We do not need uniform financial support and by handling these expenses on our own, we are freeing up funding to help others in need.

Nothing is disqualifying

Section III: Health Status (Completion by Parent/Guardian)

CAP does NOT deny membership due to any health issues, so answer completely and honestly so we can keep your child safe. Cadets participate in vigorous, age-appropriate physical fitness activities. Some of the most common activities are listed below. Please tell us if your child is able to participate in each activity. For each activity, please use the following legend to complete the form.

A. No health issues – my child can participate fully.

B. Some health issues – my child can participate with some modifications, or my child will be able to participate once he or she recovers from a temporary health issue.

C. Chronic conditions – my child cannot safely participate in this sort of activity due to long-term health issues.

A	B	C	ACTIVITY	A	B	C	ACTIVITY
			Calisthenics: push-ups, sit-ups, toe-touches, etc				Hiking or tramping through the woods
			Flying in a small aircraft				Swimming
			Obstacle courses requiring balance and flexibility				Volleyball, flag football and low impact sports
			Participating in the above activities for a full day, with periodic rest breaks				

If you answered B or C to one or more of the above, please explain why your child is unable to participate fully. Please tell us about his or her health condition.

Is your child doing something to manage this condition? (Medication, asthma inhaler, insulin, insulin injections, crutches, braces, etc.?) If yes, please explain.

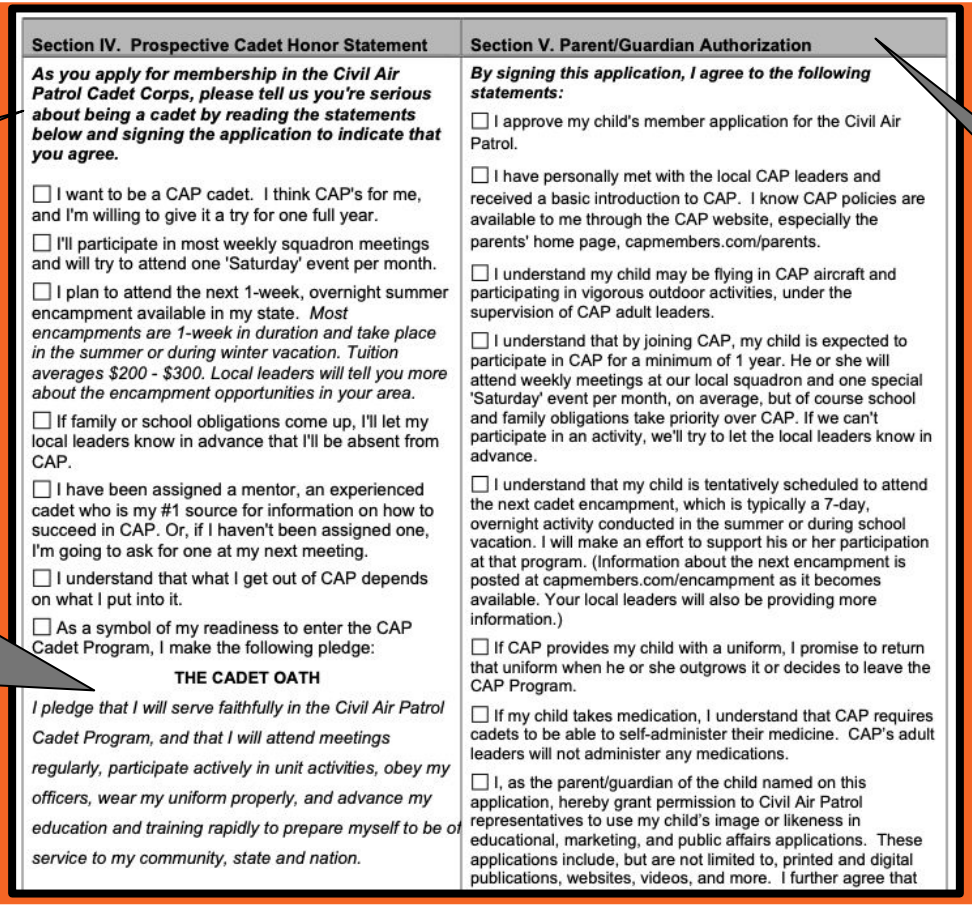

Cadets must be self-medicated

Section IV. Prospective Cadet Honor Statement

As you apply for membership in the Civil Air Patrol Cadet Corps, please tell us you're serious about being a cadet by reading the statements below and signing the application to indicate that you agree.

☐ I want to be a CAP cadet. I think CAP's for me, and I'm willing to give it a try for one full year.

☐ I'll participate in most weekly squadron meetings and will try to attend one 'Saturday' event per month.

☐ I plan to attend the next 1-week, overnight summer encampment available in my state. *Most encampments are 1-week in duration and take place in the summer or during winter vacation. Tuition averages $200 - $300. Local leaders will tell you more about the encampment opportunities in your area.*

☐ If family or school obligations come up, I'll let my local leaders know in advance that I'll be absent from CAP.

☐ I have been assigned a mentor, an experienced cadet who is my #1 source for information on how to succeed in CAP. Or, if I haven't been assigned one, I'm going to ask for one at my next meeting.

☐ I understand that what I get out of CAP depends on what I put into it.

☐ As a symbol of my readiness to enter the CAP Cadet Program, I make the following pledge:

THE CADET OATH

I pledge that I will serve faithfully in the Civil Air Patrol Cadet Program, and that I will attend meetings regularly, participate actively in unit activities, obey my officers, wear my uniform properly, and advance my education and training rapidly to prepare myself to be of service to my community, state and nation.

Section V. Parent/Guardian Authorization

By signing this application, I agree to the following statements:

☐ I approve my child's member application for the Civil Air Patrol.

☐ I have personally met with the local CAP leaders and received a basic introduction to CAP. I know CAP policies are available to me through the CAP website, especially the parents' home page, capmembers.com/parents.

☐ I understand my child may be flying in CAP aircraft and participating in vigorous outdoor activities, under the supervision of CAP adult leaders.

☐ I understand that by joining CAP, my child is expected to participate in CAP for a minimum of 1 year. He or she will attend weekly meetings at our local squadron and one special 'Saturday' event per month, on average, but of course school and family obligations take priority over CAP. If we can't participate in an activity, we'll try to let the local leaders know in advance.

☐ I understand that my child is tentatively scheduled to attend the next cadet encampment, which is typically a 7-day, overnight activity conducted in the summer or during school vacation. I will make an effort to support his or her participation at that program. (Information about the next encampment is posted at capmembers.com/encampment as it becomes available. Your local leaders will also be providing more information.)

☐ If CAP provides my child with a uniform, I promise to return that uniform when he or she outgrows it or decides to leave the CAP Program.

☐ If my child takes medication, I understand that CAP requires cadets to be able to self-administer their medicine. CAP's adult leaders will not administer any medications.

☐ I, as the parent/guardian of the child named on this application, hereby grant permission to Civil Air Patrol representatives to use my child's image or likeness in educational, marketing, and public affairs applications. These applications include, but are not limited to, printed and digital publications, websites, videos, and more. I further agree that

Summary

1. Apply online or using the paper form. (Online is better)
2. The Parent Meeting & ID check is required (NEXT MONDAY!)
